Bridge Tourism Reinvented

Explore some of Europe's finest places on this never before Cruise plus Bridge FUN

About Me

An IIT Graduate, who had long stints in the Corporate world in India with UK's Unilever, and Indian companies like Murugappa Group, HCL Technologies. Subsequently, I started a Hospitality Company, for leading MNCs like IBM, McKinney, Siemens', etc.

My latest venture is curating experiential cruises. On these you can enjoy some of the world's best cruises, while simultaneously pursuing your passion for Bridge, Rummy or simply "Just Cruising."

I organized the first "Bridge Cruise" of Asia, earlier this year. It was great "Bridge Tourism" for more than 100 Bridge enthusiasts from India and neighboring countries. It was a big success, with most people wanting many more such Cruises.

Our USP is creating a superb experience, provided at lowest possible price.

The Cruise Ship

“Sky Princess” is brand new and ultra-modern ship, launched only in Oct 2019, and will provide one of the best Cruising experiences.

I was on the launch sailing – you can take a peep in to the ship on the 2 minutes YouTube kink, that I made <http://bit.ly/BridgeandGolfCruise>

About Cruises

- Cruise are the fastest growing vacation segment in the world
- On these Cruises, we will be covering the best of 8 North European countries, without dragging our suitcase across flights and hotels, without having to change our rooms.
- Not ever have to worry about where and what to have for our next meal, or what would be our next entertainment activity. For every meal, the lady can eat Indian food, while the others eat the cuisines of their choice on the same shared table.
- Time saved in flights and hotel check-ins and commuting from hotels to airports and visiting restaurants etc. makes an eleven nights Cruise equivalent to a 17-night holiday. Five less hotel nights!! And no flights and buses across countries for virtually longer Holiday, much less cost and lot more fun!!!

The ship is filling up fast, prices could go up after 26th Jan.
