

Registering for a team competition in BBO

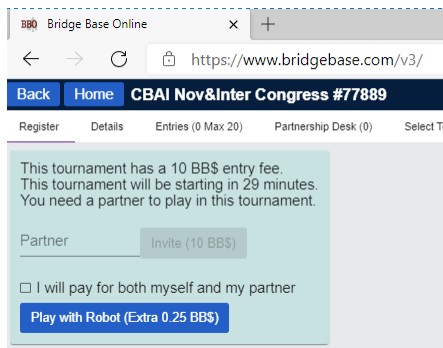

So begin as normal and search for the competition you are looking for.

Host	Title	Type	Start	Entries	Entry Fee
cbai125480	CBAI Nov&Inter Congress #77889	Swiss Team	30	0	10 BBS

Each pair should do this and Register with their partner as they would do for a normal Pairs game.

Just ensuring that the Captain of the team needs to make sure they invite their partner and not the other way around

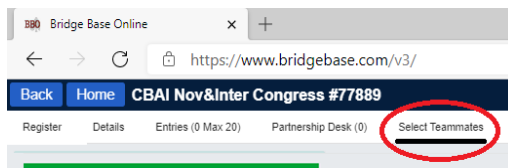

This tournament has a 10 BBS entry fee.
This tournament will be starting in 29 minutes.
You need a partner to play in this tournament.

Partner

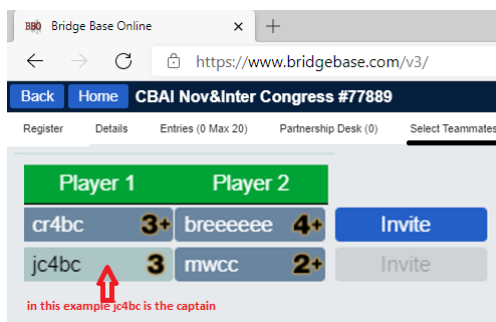

I will pay for both myself and my partner

When the Captain confirms that both pairs are registered, He/She should now click on the Select Teammates

Register Details Entries (0 Max 20) Partnership Desk (0) **Select Teammates**

A List of all registered pairs that are not yet in a team will come up and the Captain should click the invite button next to their other half of the team

Player 1	Player 2	
cr4bc 3+	breeeeee 4+	<input type="button" value="Invite"/>
jc4bc 3	mwcc 2+	<input type="button" value="Invite"/>

In this example jc4bc is the captain

When any player of the pair being invited accepts the team will be registered for the competition

So to Summarise:

- Each Pair needs to register as they normally would have up as if it was a pairs competition
- When both pairs are registered the Captain clicks on Select Teammates
- Finds the other half of his team and invites them
- Any one player from the other half can accept the invite
- At game start time make sure all four players are online
