**Evan McKeown**

Hello! My name is Evan/Keowner, I am 18 years old and I attend Carrickfergus Grammar School. I am doing A Level Business Studies, Health and Social Care and Digital Tech.

Throughout the course of the last two years, I have found a love for all things ICT and looking towards new areas and trying to expand upon my knowledge and equipment for multiple activities.

I love video games and badminton, along with bridge of course which I have played for nearly 8 years. Just being able to learn all about the game and constantly improving and playing with a partner really entertaining and allows me to meet awesome people (such as Norman). With this being my 2nd time on the rodeo, I am looking forward to take the bull by the horns and take it all with team NI!

Just hope that this Peggy Bayer, I can add to the experience and the friendships.

Stay H I L L!

**NPC Norman Lacey**

I started playing bridge when I was 68. My regret is that I missed so many year's enjoying this most challenging of games.

I am still learning but welcome the opportunity to teach young people and give them the foundation to proceed towards achieving excellence.

Despite my age difference with them I look on them as friends. I am pleased with their efforts and trust that they will enjoy many happy years involvement and reach a higher level of expertise than that which is within my grasp. Keep playing gang and I am proud of you all.
