

Scotland, although a small country, has a healthy bridge playing community. We have never ventured into running international events before but - with the help of a generous sponsor - we are running a **one-day on-line pairs event on Saturday 6th September** - details at <https://www.sbu.org.uk/?view=article&id=1558:britannia-hotels-swiss-pairs&catid=158>

The entry fee is only £20 and there will be a Prize fund of approximately £1,600. 1st prize £600, 2nd £300, 3rd £150 per pair.

Generous prizes in other categories including best non SBU pair; best mixed pair; best U26 pair and fastest riser in second half.

**Entries are now being taken at** <https://www.sbu.org.uk/competitions/events-timeline/britannia-swiss-pairs/individual-registration>

The 11am start time may appeal more to those in European and African time zones but we hope some 'night owls' from other zones will take part.

**Please help us make our first foray into running international events a success by taking part and telling others about this event.**
