

Frequently Asked Questions :-

1. When does my cover start ? Cover starts on 1st September 2025 or when you pay your premium whichever is the later date. Cover finishes on 31st August 2026 no matter when it commences.
2. Can I pay for half a year ? No – This policy has been set up with Allianz and the CBAI on a group basis and it's because of this group basis that we are able to offer these competitive premiums. There is no discount for joining midway through the year.
3. What if I only pay later in the year, do I get a discount ? No. No matter when you join the scheme the full Public Liability amount payable of €105 is due. (If you are a new club setting up mid-year there may be a possibility of negotiating a rate for the remainder of the year but it must be agreed with Dermot O'Brien & Diarmuid Reddan)
4. What does my policy cover ? As a minimum, the policy provides cover in respect of Public Liability and will Indemnify the club in respect of all sums which the insured shall become legally liable to pay for damages arising out of accidental

Occurring within the territorial limits during the period of Insurance and arising out of and in the course of the business. Obviously, the policy only pays if the club are deemed to be negligent and the limits and excess are as per the policy wording.

In the event of a claim if these people are deemed to be employees (in a court of law for example) then they are specifically excluded under the Public Liability section of the policy which is why we give clubs who wish to avail of Employers Liability cover to add this option for up to a total wage roll of €5,000. Please note in exceptional circumstances this waggeroll can be increased speak to Diarmuid Reddan

A lot of clubs do not have a storage facility at their premises and therefore each week the above are removed from the premises and stored in someone's home. It is now possible to provide cover for this by selecting the appropriate amount of cover and applicable charge you require. Please note the items are NOT covered if left in an unattended vehicle.
